Karen: Did you get your pieces selected for NY Observer, Gawker, Atlantic Wire and Mother Jones?
me: sort of, going over them one more time this morning to see if they can be improved and then sending out this afternoon
me: editor of NY observer wants me to meet him next week
Karen: Yeah, I just read that! So cool!
Karen: On my way to bridge group. Talk later :)
me: have fun
Karen: You, too! How fun is this to have all those big names asking you for pieces!
